PROGRESSIVE BONUS.

A 4-level progressive bonus option.
It is flexible - can be adapted to operators' necessity

FREE ROUND BONUS.

Target specific player segments based on your needs with a variety of custom bonus campaigns, which you can easily manage from the SYNOT Games back-office, or integrate their management directly into your own back-office solution

PLAYER ENGAGEMENT AND ACQUISITION KIT.

PEAK empowers you to run engaging promotions by introducing a gamification and a competition layer. Run tournaments seamlessly integrated with existing SYNOT games and offerings without the need of additional integration
